## TRAIN MORE. SPEND LESS.

The knowledge and compassion of your staff impacts the lives of every patient they treat. The importance of training cannot be overstated. Swank HealthCare supports educators with a comprehensive program that is utilized by healthcare facilities worldwide. Online access lets your employees learn 24/7 while we track their progress for you. We help stretch your training budget and maximize your productivity, too.

Our online program makes it easy to satisfy licensure and regulatory training requirements. Swank HealthCare offers:

### CE/CME

CE/CME courses to maintain licensure.

### REGULATORY

Regulatory courses to help achieve compliance.

### LEARNING MANAGEMENT SYSTEM

Learning Management System to train more staff in less time and track progress.
