TRAIN MORE. SPEND LESS.

The knowledge and compassion of your staff impacts the lives of every patient they treat. The importance of training cannot be overstated. Swank HealthCare supports educators with a comprehensive program that is utilized by healthcare facilities worldwide. Online access lets your employees learn 24/7 while we track their progress for you. We help stretch your training budget and maximize your productivity, too.

Our online program makes it easy to satisfy licensure and regulatory training requirements. Swank HealthCare offers:

**CE/CME**
CE/CME courses to maintain licensure.

**REGULATORY**
Regulatory courses to help achieve compliance.

**LEARNING MANAGEMENT SYSTEM**
Learning Management System to train more staff in less time and track progress.

**SPECIALTY PROGRAMMING**

HCAHPS Performance Improvement Series..................... 11

**REGULATORY/MANDATORY TRAINING**

A comprehensive training program to help meet requirements of The Joint Commission, CMS, HIPAA and OSHA for clinical and non-clinical staff.
